ABOUT ME

I am a 21-year-old Junior Programmer (Web Developer), focused on Front-End, I have fallen in love with web development and what can be done with the tools it offers, so I always take every opportunity to grow and learn.

I consider myself a self-taught person if I do not know something, I try to learn it on my own, the passion for what I do is the basis of all motivation.

TECHNOLOGIES I KNOW

I have had the opportunity to work and gain experience in technologies such as;

Html5

Css3

Javascript

React

Firebase

Bootstrap

Jquery

MySQL

Git

Php

Wordpress

Sass

Typescript

Node.js

Next.js

EXPERIENCE

Empresas Polar C.A

From **01/03/2018** To **27/9/2019**

Internships

In the company I had the opportunity to consolidate my knowledge in database management, Excel, Billing, Balance sheet, administration and customer service and the values that are well formed in the identity of Empresas Polar.

Freelancer

From **15/10/2019** To **Undefined time**

Web developer

I have continued as a freelancer working in layout, javascript, web applications with react, next.js, wordpress, php, sql, and more. I have done a lot, and I still like what I do, I have also fulfilled contracts also for months for companies.
