SKILLS

- HTML
- CSS
- Javascript
- Typescript
- React
- Rest Api
- Wordpress
- SQL
- Firebase
- NodeJs
- NextJs
- Python

LANGUAGES

Español: Native

Ingles: Intermediate B1

EDUCATION

2017 - 2019

Analyst Accountant
graduate - FormaProf

2019 - 2020

Front-End Development
graduate - Platzi

EXPERIENCE

2017 - 2019

Empresas Polar C.A.

Accounting Analyst Internships

In these internships I had the opportunity to consolidate my knowledge in **DB, Excel, Billing, business administration and customer service**, in addition to learning the ethics that characterize the company.

2019 - 2021

Freelance

Web development

As a Freelancer, I gained enough knowledge to support some companies in **page layout, Javascript bugs, Web Applications with React, Wordpress Themes, SQL** and many more technologies.

2021 - Present

Packachange

Lead Front-End

As a leader, **I created more than 20 UI/UX pages in React**, fixed errors in operation and at the same time better understood the different project management models, considerably **improving my level of English**.

2022 - Present

SmartCashier

Mid Front-End

I optimized my time with the Scrum method for this software in which **I created and documented all the available screens connecting them with the APIs supporting me with Jira**.
