Estefano Chacón
Frontend Developer

ABOUT ME

I have a real passion for programming, it is not a problem for me to dedicate all day to create or improve a page or application, that same love makes me always find a way to make learning a totally motivational experience for me, for years I have been an autodidact in search of constant improvement, I specify myself in strengthening a technology while learning new ones.

EXPERIENCE

ANALYST ACCOUNTANT   Sep 2017 - Sep 2019
Empresas Polar C.A.

In my internships at Empresas Polar I had the opportunity to consolidate my knowledge in **database**, **Excel**, **Billing**, **Business Administration** and **Customer Service** with the ethics and philosophy that identify Polar as one of the most important companies in Venezuela.

FREELANCE   Oct 2019 - Undefined Time
Web Developer

As a Freelancer, I obtained enough knowledge to fulfill several month-long company contracts and support ventures in **Page Layout**, **Javascript**, **Web Applications with React**, **Wordpress**, **Sql** and many more technologies that you can see in the ***"KNOWLEDGE"*** section.

FRONTEND   Jan 2022 - Undefined Time
Packachange

In this venture I have the privilege of being the **Frontend web developer**, my time at this company has strengthened the years of experience already obtained before, having a more ambitious and professional perspective of the web world, in turn I have been able to greatly **strengthen my level of English** .

EDUCATION

ANALYST ACCOUNTANT   Sep 2017 - Sep 2019
FormaProf C.A.

In this institute I was able to train and prepare for my first work experience, thus having a realistic vision of what it means to have a responsibility and fulfill it, in addition to considerably improving my understanding of mathematical problems.

FRONTEND   Sep 2019 - Undefined Time
Platzi

Thanks to this platform I was able to better understand how web development works and thus have a solid foundation, all through courses for which I have certificates.
